Headteacher: Mrs Peta Mather

Dear Parents and Friends,

Friday 8th January 2016

Welcome back and Happy New Year to everyone. We have a very busy term ahead with lots of work to do, and having spoken to the children in assembly on Monday, I know they are committed to the challenges this term will bring for them. Already, children are stopping me or visiting my office to share fantastic work and tell me how they are both challenging themselves as well as being 'on fire' - a great start to the term!

I have spent time observing lessons this week, and some of those have been with our new Chair of Governors, Maggie Hartley. In lessons the children have been learning in enthusiastic and supportive environments and both hearing and seeing the children talking about their learning and thriving on the opportunity to teach their peers has been very positive.

Parents and Carers with children in years 1-6 should have received a pack this week with further details on both the expectations for children in maths and ways to help support them. Please do have a look at these and try out some of the activities. As soon as the updated website goes live, you will be able to see the age related expectations of other year groups. Supporting your child at home can make a huge difference- a little every day soon accumulates and the impact can be amazing. For example, some of the children in year 2 accessed the online Bug Club even on Christmas Day, and their progress reflects their commitment.

I am sure that many children will have received either new consoles or games for Christmas, and as a parent it is so important to keep up-to-date with online safety. Safer Internet Day is on February 9th and we have an opportunity for parents to attend a session to be run by Rob Ellis- this will be at 9am in the little room by the main entrance. Please return the slip to express an interest in attending so that we have an idea of numbers to prepare for.

We currently have two vacancies for lunchtime supervisors, to start at the end of the month. If you are interested and would like further information please see Mrs Winchcombe for an application pack and further details.

Kind regards,

Peta Mather

Head Teacher

NO DOGS

Please can you be reminded that no dogs are allowed on the school grounds due to health and safety reasons.

“ORANGE DAY”

On Friday 12th February we will be supporting the Inshore Rescue teams in raising money which is needed to keep their services active. Children are invited to wear orange clothing for the day (instead of their school uniform), and donate £1 towards this worthy cause. A member of the crew will be coming into school to talk to the children and raise awareness of the work that they do.

SCHOOL GATE

We are still noticing parents/carers parking at the bottom of the driveway in the mornings. This causes obstructions to other vehicles, but more importantly, is dangerous for other parents with children coming into school. Please DO NOT use this area for dropping off or picking up, we will be closely monitoring the situation, and if anyone is seen disregarding this request, then they will be asked to move their vehicle immediately. This also is applicable to those parents who are dropping children off to Little Herons before school. Thank you.

MIDDAY SUPERVISORY ASSISTANTS

We are seeking help during lunchtimes to supervise the children in the hall with their packed lunches or dinners, and outside in the playground after their meal. If you are interested, or expressed an interest last time we asked and would still be available, please get in touch with Mrs Wincombe. You will be required from 11.55am until 1.00pm each day and will be paid for 5 hours 25 minutes per week.

ONLINE SAFETY FOR PARENTS – SAFER INTERNET DAY 9TH FEBRUARY

We are offering a session for parents at 9am on Tuesday 9th February to learn more about internet safety. If you are interested in coming along, please complete the slip below and return it to the office by Friday 29th January 2016

Online safety for parents 9th February
